Mr. Jim Culotta, Town Administrator
Town of Cedarburg
1293 Washington Avenue
Cedarburg, WI 53012

Dear Jim,

As we celebrate our first anniversary of opening our new Cedarburg funeral home, I wanted to again commend the Town for the excellent spirit of co-operation which allowed us to complete our project with minimal complications.

I can't begin to say enough about how you, the Town Board, and the department heads helped us along the way. From the purchase of the property thru the entire construction process, we were always treated fairly and made to feel very welcome as new members of the Five Corners business community.

We look forward to a continuing mutually beneficial working relationship with you and the Town of Cedarburg.

Please do not hesitate to call me if I can be of any help in urging potential new businesses to consider locating in the Town of Cedarburg.

Sincerely,

EERNISSE FUNERAL HOME

Marc A. Eernisse
