Kenneth and Edith Korb Donate \$500,000 to the Town Sports Complex Project

The new Cedarburg Sports Complex Project received a \$500,000 donation from Town residents Kenneth and Edith Korb. This incredible donation will go toward building improvements to the 33 acre sports complex planned to open in spring of 2019.

Korb said, “we wanted to give back to the community that supported our kids and grandkids that played sports in Cedarburg. We felt a donation for this new sports complex was the best way to do it. Cedarburg is a wonderful community to raise a family and this new sports complex will benefit the community for years to come. Sports help kids find new friendships, keeps them active, and teaches them the responsibilities needed to be a team player.”

“In light of this amazing donation from Kenneth and Edith Korb, I introduced legislation at our Town Board meeting, September 5th, 2018, to name the project from this day forward, ***Korb Sports Complex***,” said Town Chairman David Salvaggio. The legislation passed with a unanimous vote.

The new Sports Complex will offer:

- Four (4) 200-foot fields for boys baseball and girls softball
- Four (4) tee ball fields
- Three full-size football/ soccer/ lacrosse fields
- Walking/cross-country skiing trails
- Concessions building with restrooms

The Town of Cedarburg Recreation Department was founded in 2010 when it started Cedarburg Little League to better meet the needs of area youth in both the Town and City. The Town recreation programming is 100% self-supporting, meaning that it is not funded by property taxes. Sponsorships, fundraising, and user fees cover all program expenses, including Town staff time. Over 800 boys and girls participated in Town recreation programming in 2018, a record year!

The Town’s recreation programming was given the Wisconsin Good Government Award by Foth Companies, as well as the Outstanding Program Award by the Wisconsin City/County Management Award.
