Mr. James Culotta - Administrator, Town of Cedarburg

Dear Dave and Jim,

Now that Henke & Associates, Inc. has settled its marketing business operations in our new facility in historic Turn Halle (236 Hamilton Road in the Town of Cedarburg), we strongly wish to acknowledge the complete cooperation we received from everyone in the Town Administration team.

The Town of Cedarburg is lucky to have such a talented and cooperative group who brought their diverse skills and dedication to the forefront for us. You all made sure our company's transfer into the Town – from the refurbishment of Turn Halle to the actual move - was successful.

Both the citizens and the businesses of the Town of Cedarburg are very fortunate to have such expertise and can-do attitude working for them.

Please be sure to extend our thank you to everyone.

Sincerely,

Jack Henke  
President
