RE: Town of Cedarburg Sports Complex

The Ozaukee Sports Center is now being developed to support sports and youth organizations in Ozaukee County, with a planned opening in March 2009. The Ozaukee Sports Center is dedicated to enhancing recreation and sports facilities and opportunities throughout Ozaukee County, including the Town of Cedarburg. We have been following the discussions regarding the Sports Complex with interest, and we are available to support its development.

We believe that the Sports Complex is a positive community oriented development that will be in high demand in the area, and we believe it is the best use of that site. We look forward to participating in this project.

Very truly yours,
