**STATEMENT FROM
TOWN OF CEDARBURG
LANDMARK COMMISSION**

We, the undersigned, as members of the Town of Cedarburg Landmarks Commission, do hereby express our support for the continued physical presence and preservation of the landmark buildings:

"Rinn Tavern", Washington Avenue, (currently known as the Road House)

"Five Corners Creamery", 7612 Hwy 60, (currently housing HomeInstead Care)
Located at and near the intersection locally known as "Five Corners".

We are opposed to the widening and/or improvements as proposed pertaining to State Road 60 (Highway 60) which would directly impact the above named structures as having a negative impact on the Five Corners Business District, permanently altering the crossroad for which it has been named, and destroying the unique identity of the area.

We agree with the Cedarburg Town Board's Resolution of August 1, 2012.

Signed this 18th day of October, 2012.
