

The Town of Cedarburg has selected Waste Management to be the single provider of recycling services for the community.

Beginning Monday, January 5, 2015, recycling will be collected every other week on the same day as your current refuse collection.

THINK GREEN.®

Dear Town of Cedarburg Resident,

Starting Monday, January 5, 2015, Waste Management will provide carted single-stream recycling service for the Town of Cedarburg. Refuse will continue to be picked up weekly on your scheduled day of Monday, Tuesday, or Wednesday. Recyclables will be collected every other week on the same day your refuse is collected. A calendar on the back of this brochure indicates which weeks your recycling will be picked up. We look forward to helping your community be as clean and green as possible throughout 2015 and beyond.

Making the transition from your current recycling service to Waste Management's single stream, where no sorting is required, will be simple. Here are a few things to keep in mind:

New Recycling Cart

Each residence will receive a 96-gallon or 64-gallon cart for recycling, which will be delivered between December 15 and December 23. This cart will be green with a yellow lid. Carts may be delivered any day during this period and will be delivered to the end of your driveway. Please use the recycling cart for acceptable recycling materials only. Beginning January 5, 2015, Waste Management will begin the new recycling service and collect the new carts only. The weight limit for the cart is 200 pounds.

All residents will receive a 96-gallon cart unless you choose to receive a smaller 64-gallon cart. If you prefer a 64-gallon recycling cart, please fill out the enclosed post card, affix a stamp, and mail it to Waste Management by **November 15th 2014**. No action is necessary if you want the 96-gallon cart – you will automatically receive a 96-gallon container between December 15-23.

If you will not be home during the time the carts are being delivered, please contact Waste Management at (888) 960-0008 to notify us of your return date.

Cart Placement

All recycling carts should be placed at the curb with the handles facing the house. Containers need to be at least 3 feet away from trash, other containers and any other fixed object. If you are having problems with slopes or the wind, simply rotate the cart a quarter-turn, placing the handles toward the wind. This helps keep the lid closed and the cart upright.

Great things happen when Cedarburg residents **Recycle Often and Recycle Right**. When everyday items like those shown below are recycled, tons of raw materials, time, energy and money are saved. Plus the recycled materials become new products, and the cycle continues.

- Use your green cart with the yellow lid for your recyclables.
- No sorting is needed.
- Do not put recyclables in plastic bags.
- Containers that held food should be rinsed and free of food debris.

Place your cart at the curb no later than 7:00 a.m. on your collection day. Acceptable materials for curbside recycling include:

Recycle...it's the right thing to do

Plastic bottles and containers

Junk mail, office & school paper, phone books, books, catalogs, magazines & newspapers

Glass bottles & jars

Chipboard, boxboard, brown paper bags and cardboard

Aluminum foil, cans and empty aerosol cans

Paper cardboard, dairy and juice containers

Recycle Correctly

Do NOT recycle the following:

No food waste and liquids

Keep plastic bags out of recycling

No foam products

For any service related concerns or questions, or for more information, please contact Waste Management at (888) 960-0008.

THINK GREEN®

Waste Management will collect recycling on the same day as your refuse collection, every other week, as indicated by the Green weeks on the adjacent calendar.

Holiday Collection Schedule

Recycling collection will be delayed one day for the following holidays:

Memorial Day (5/25/15)

Curbside Timing

Please have your cart at the curb no later than 7:00 a.m. on the day of collection. Please do not place any carts near your mailbox. Carts are property of Waste Management.

For further information, please contact Waste Management at (888) 960-0008.
