Dear Mr. Valentine:

Each year the Wisconsin City/County Management Association recognizes outstanding programs developed, implemented or administered by one of its members. It is with great pleasure that we wish to inform you that the 2011 Program Award was presented to the Town of Cedarburg for its self-sustaining Recreation Program. The award was presented at the WCMA Annual Meeting on June 16th.

In 2009, the Town Board created the Self-Sustaining Recreation Program that included:

- A baseball and softball program that had 325 participants.
- Two new ball diamonds were developed to support the program
- As a result of sponsorships and fund raising, more than \$21,000 was raised to support the football program.

It is innovative and community oriented programs such as this that make the Town of Cedarburg a vibrant community in which to live, work and play.

Congratulations to you, the Town Board and the Town Administrator in receiving this award. Keep up the good work!

Sincerely,

Edmund M. Henschel
Executive Director
Wisconsin City/County Management Association
