Fermentorium Grand Opening March 31st
Brewery Expands Town Business Base

The Town of Cedarburg is welcoming Kristopher Volkman and his micro-brewery “The Fermentorium” to the Five Corners Business District (7481 STH 60), with their Grand Opening and ribbon cutting on March 31st at 10am. After fifteen years as a software developer and eight years of brewing at his Town of Grafton home, Volkman is ready for a career change. His patience navigating the permitting process at the Federal and State levels has paid off, as demonstrated during the strong response from the community during his soft opening period.

Volkman’s current business plan is to distribute to area bars and restaurants in Port Washington, Grafton, Cedarburg, West Bend and Milwaukee. “It’s been a long process getting to this point, but it is certainly rewarding to see people finally tasting, and most importantly, enjoying our beer,” Volkman said. He is looking toward the future already through adding the wholesale distribution of our beer. “Over the coming year we hope to add tap lines, add more fermenters to increase our capacity, and possibly add bottling capability” he noted.

The business features a twenty barrel brew house, four fermenters, and eight taps, and offers a small tasting room available for booking. Contact The Fermentorium at 262-421-8593 to reserve the community table or production area. Business hours are W-F 4pm-10pm, Saturday 12pm-10pm, and Sunday 12pm-6pm.
