Subject: Public Involvement Meeting

Project ID #2310-17-00
WIS 60 Resurfacing
Washington & Ozaukee Counties
Eagle Drive to WIS 181

Project ID #2310-14-00
WIS 60/County Y Intersection
Ozaukee County
WIS 60 & County Y

Dear Property Owner or Resident:

You are invited to attend a public involvement meeting (PIM) for the proposed resurfacing project on WIS 60 from Eagle Drive to WIS 181 in Washington and Ozaukee Counties and the proposed WIS 60 and County Y intersection reconstruction project in Ozaukee County. A project location map is enclosed.

The meeting will be held on **Tuesday, May 12, 2015** at the **Jackson Community Center, N165 W20330 Hickory Lane, Jackson, WI** from **5 pm to 7 pm**. The meeting will be an informal open house format. No formal presentations will be given. Representatives of the Wisconsin Department of Transportation (WisDOT) will be available to discuss the proposed projects and address any questions or concerns.

The purpose of this meeting is to present the preliminary roadway design and to obtain input. Persons with a concern for or knowledge about drainage problems, or environmental issues such as hazardous wastes and underground storage tanks are encouraged to attend this meeting and provide information to WisDOT representatives. Exhibits will be on display showing the proposed improvements.

WisDOT is also separately performing a corridor study on WIS 60 from Jackson to Grafton that will not be addressed during this meeting.

WIS 60 Resurfacing: The purpose of the project is to improve pavement conditions, add bicycle accommodations, and improve intersections to current WisDOT standards. The proposed action includes resurfacing the roadway pavement along WIS 60 from Eagle Drive to WIS 181, widening the paved shoulder width to 6-ft to accommodate bicycles, adding/improving right turn lanes and bypass lanes at intersections. The bridge on WIS 60 over Cedar Creek will be widened to meet necessary intersection improvements. Easements and right of way acquisition will be required at some of the intersections for grading and drainage improvements.

WIS 60 and County Y Intersection Reconstruction: The purpose of the project is to address intersection deficiencies. The proposed action includes improving the intersection to a single lane roundabout. Right of way and/or easements will be required.

During construction, WIS 60 is anticipated to be detoured for both projects concurrently. Intersections planned for improvements would be closed to through traffic. Local and emergency

access would be maintained throughout the project.

Schedule

Construction for the WIS 60 resurfacing and WIS 60 and County Y intersection reconstruction are concurrently scheduled for 2020. Real estate and easement acquisition for the projects are currently scheduled to begin in 2016-2017.

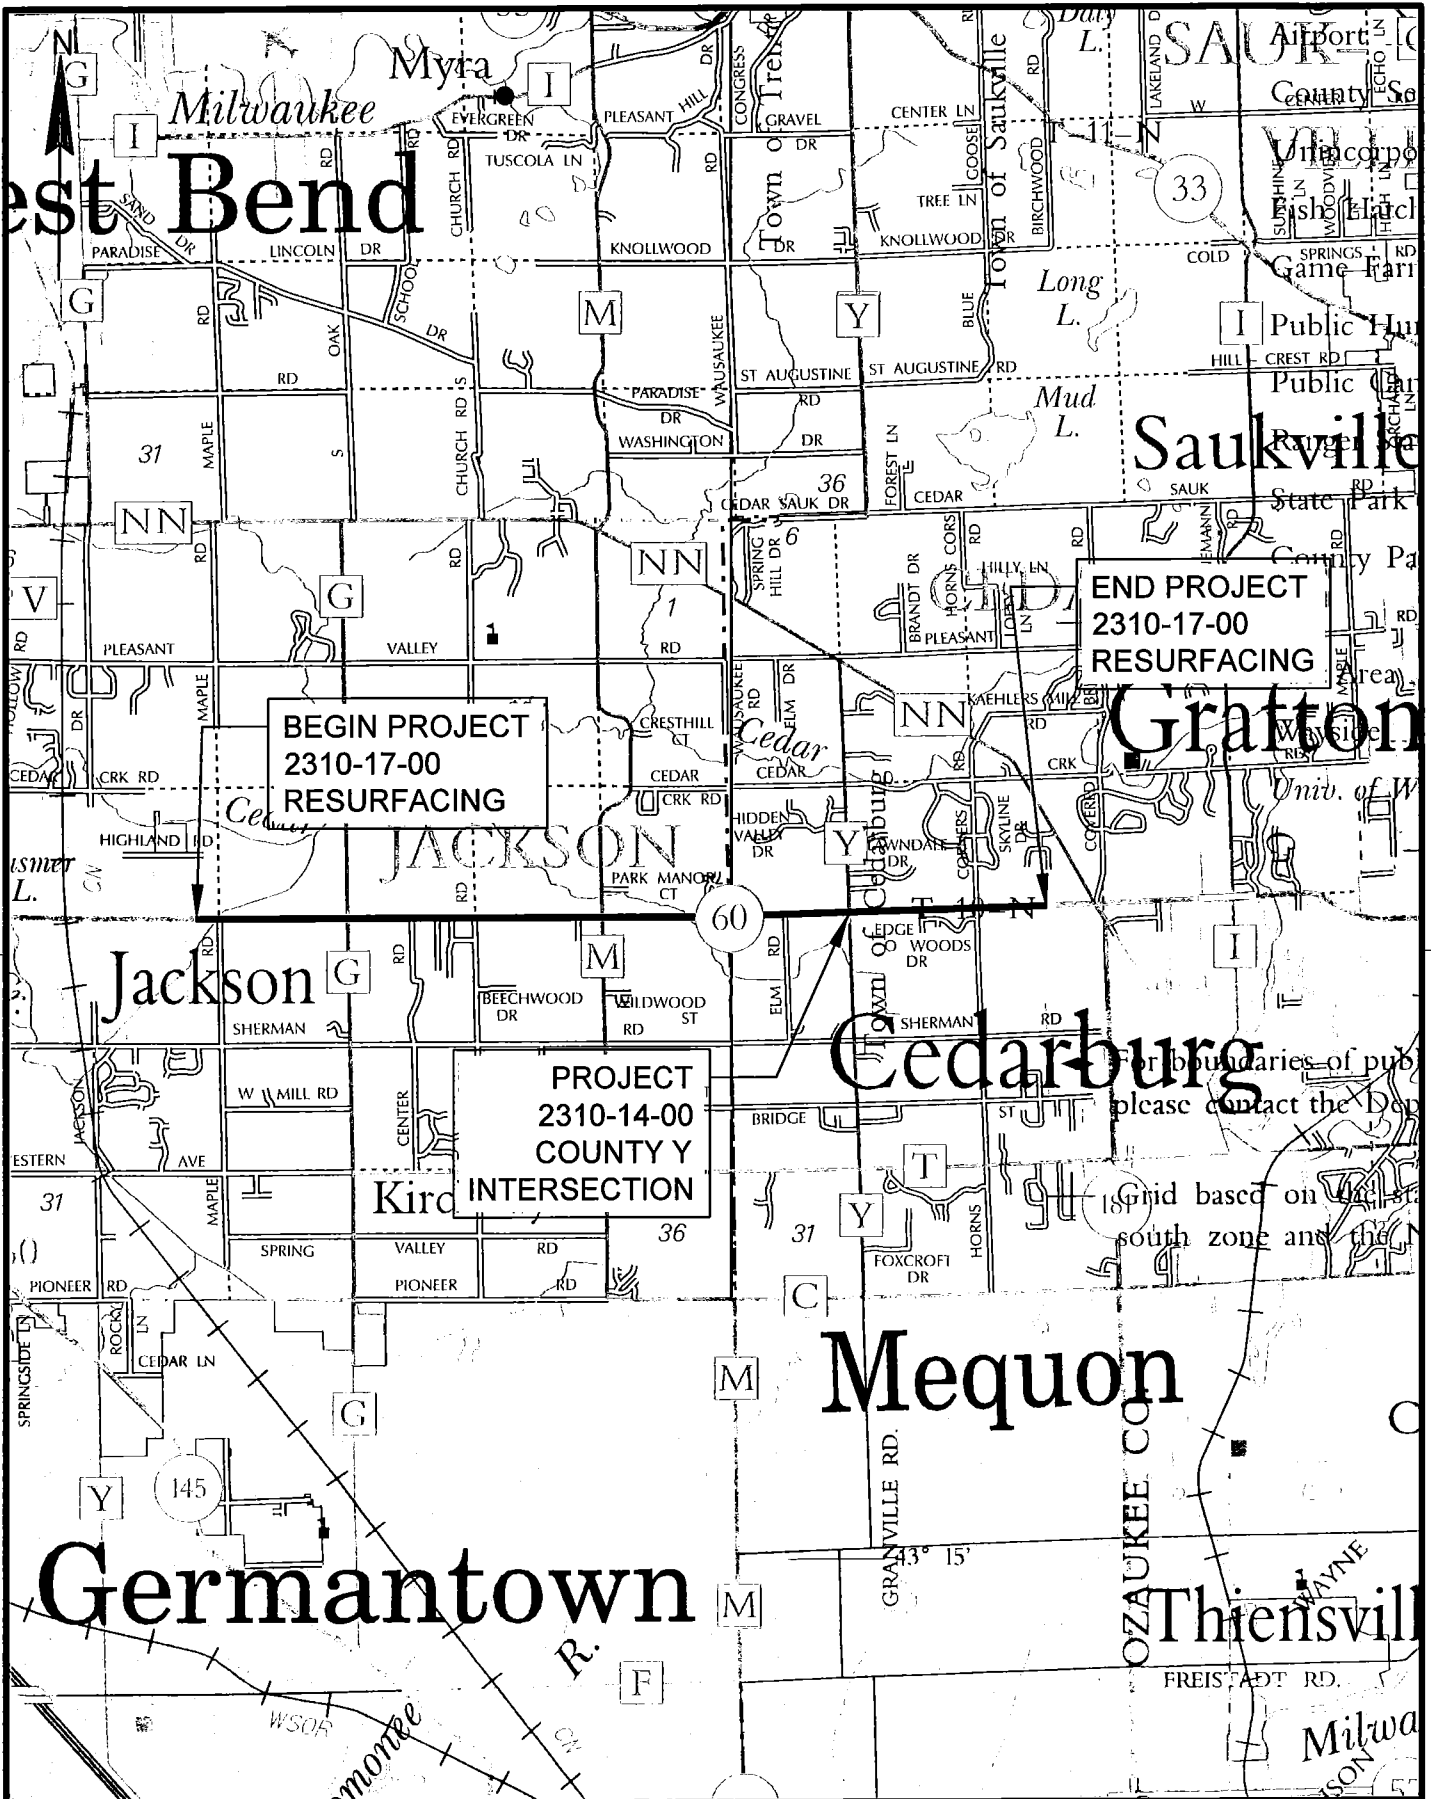

The meeting facility is wheelchair accessible. Citizens who require a sign language interpreter may request one by contacting me at least three working days prior to the May 12th meeting via the Wisconsin Telecommunications Relay System (dial 711).

If you have any questions or concerns that may assist in the development of this project, we encourage you to attend the meeting. If you need additional information, you can contact me at (262) 521-5376 or Heather.Sackman@dot.wi.gov

Sincerely,

Heather Sackman
WisDOT Project Manager

Encl.
