**Town Residents & Businesses Invited to
Community Growth Public Workshop on June 25th**

All Town residents and businesses are invited to attend a public workshop on Monday, June 25th beginning at 6:00 pm at Town Hall. The workshop, which is a part of the Town's ongoing comprehensive plan update, gives residents and businesses another opportunity to help shape future growth in the Town.

Refreshments will be served at 6:00 pm and the workshop will begin at 6:30 pm. The focus of the workshop will be a visual preference exercise. During this exercise, photos of different types of residential and commercial buildings, open space and roadway designs will be presented for discussion and comment. The comments provided will help guide the Town's comprehensive plan update and future planning efforts.

Results of the Town's community survey conducted earlier this year will also be released at the workshop.

Town of Cedarburg, Wisconsin

The Town of Cedarburg, a historically rural community, is located in a rapidly developing portion of Ozaukee County. The town, which is home to Wisconsin's last covered bridge, strives to maintain its rural charm and high-quality of life while balancing growth and progress.
