In re: Dawson Trust/Lannon Stone Products

Dear Friends:

The purpose of this letter is to advise you that Dawson Trust has authorized us to withdraw all petitions and applications currently pending before either of the above-stated Town Boards.

There have now been two public hearings. While there has been substantial support for the pending applications, there has also been even more opposition from citizen neighbors. As you can tell from our presentation before the Cedarburg Plan Commission, we have listened to the concerns of the citizens as presented at these meetings and have endeavored to take measures which would alleviate the majority of those concerns. We regret that these concessions were not sufficient to cause the Plan Commission to make a favorable recommendation.

Thus, the Dawson Trust has elected to take these matters off the table at the current time. We will continue to endeavor to make the quarry even more "neighbor friendly" so that sometime in the near future we will be in a position to obtain the necessary approvals to expand the quarry into the Town of Cedarburg with the blessings of our neighbors.

We sincerely appreciate the time and effort expended by staff, counsel, as well as the public input.

Very truly yours,

LEVY & LEVY S.C.
