

The Town of Cedarburg, Wisconsin
IN THE NAME AND BY THE AUTHORITY OF THE TOWN OF CEDARBURG, WISCONSIN

RESOLUTION #2014-6

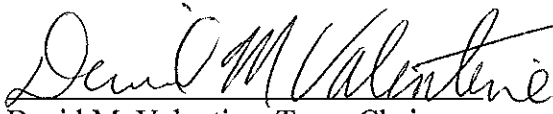

“A Resolution Calling for Expedited Reconstruction of the WIS 60 & County Y Intersection”

- WHEREAS,** the Town of Cedarburg is an unincorporated Town within Ozaukee County, Wisconsin;
- WHEREAS,** WIS 60 and County Y is a busy intersection with a history of high severity crashes;
- WHEREAS,** the Cedarburg Town Board called on WisDOT in August 2012 to make immediate safety improvements to this intersection with the adoption of Resolution 2012-12;
- WHEREAS,** WisDOT has since initiated a planning effort, identified two design options to reconstruct the intersection, and held a public involvement meeting;
- WHEREAS,** WisDOT has found that one of the deficiencies of the intersection is the lack of gaps in the WIS 60 traffic, resulting in backups on County Y and reduced safety as motorists perform unsafe maneuvers to enter or cross the WIS 60 traffic stream;
- WHEREAS,** WisDOT has also determined the severity of crashes at this intersection is high with 58% of crashes resulting in injury between 2007-2012;
- WHEREAS,** WisDOT has not allocated funds to make the necessary safety improvements until 2020;
- WHEREAS,** the Cedarburg Town Board supports the roundabout option because it offers the greatest improvement to safety, requires the least right-of-way acquisition, is the least expensive to construct, and has fewer utility and environmental impacts than the traffic signal option;

NOW THEREFORE, BE IT RESOLVED that the Town Board of Supervisors in Cedarburg, Wisconsin does hereby call upon WisDOT to expedite the reconstruction of WIS 60 & County Y intersection.

FURTHER, BE IT RESOLVED that the Town Board of Supervisors believes the reconstruction of this intersection should not be contingent upon or delayed by other road projects in the area.

Passed and adopted this 5th day of March, 2014.
